FEES POLICY

Policy Statement

Our fees policy is a guideline for our fees collection and debt management strategy and it is expected that all our parents abide by this policy for the smooth running of the school.

A. NEW STUDENTS:

It is essential for all new students to pay up ALL their financial obligations to the school before they can be settled into their classes. We urge you not to request for concession as this is not open to negotiation.

B. RETURNING STUDENTS:

Fees are due on the first day of the term, hence we expect that payments be made before resumption and we value your promptness in doing this. This is very achievable if we plan well and make fees paying a priority. However, in the event that all payments cannot be made by the first day of resumption, it is essential that we make at least 70% payment before a child can be allowed into the school. ONLY PASS CARD ADMITS.

The balance of 30% is expected to be paid up by the 4th week of resumption, that is before the first assessment. We will not allow students who have not balanced up their fees to sit for the first assessment beginning from 2021/2022 session. Kindly refrain from pestering for payments at a later date, as we will not oblige the request.

Please note that we will adhere STRICTLY to this and we will enforce it accordingly. We will not be liable if your child is asked to stay at home for non-payment as Parents are prone to attribute fees drive to being embarrassed which is not the case. Prompt fees payment runs the school.
